Light Up Georgia With Kindness is a community initiative to increase acts of kindness from Dec. 1-24 and then create a symbolic, inspiring visual through placement of luminary bags in front of houses and driveways on Dec. 24. Light Up Georgia is providing ONE free lit bag for each family, pull from the parking lot. In addition, each family will also be given two more bags with info attached for you to give to your neighbors on each side so that they can learn about this new annual December tradition.
